If the office is closed upon arrival, please hit the intercom button at the entrance gate for assistance.

PAYMENTS | Payments for seasonal camping are taken in any amount any time before the season starts. Balance is due paid in full by April 27th. At management's discretion, any site not paid in full by opening weekend is subject to having the camper removed from the site until all outstanding balances are received. An appropriate removal fee will be applied to your balance. You will also be subject to a storage fee of \$50 per month. Outstanding balances are subject to a 4% monthly interest fee, as well as a \$10 monthly processing charge. Your camper may not be removed from the property until all outstanding balances are paid in full.

CANCELLATIONS | If you should decide to leave us before the end of the season, we will be sad to see you go!! Also, you will no longer be considered a seasonal guest and will no longer be eligible to receive the seasonal rate. Your bill will be pro-rated according to the month, the week, and the number of days that you spent with us. There will be no refunds for guests who are asked to leave due to non-compliance with campground rules and regulations.

WINTER STORAGE | To make coming back next year more convenient for you, we do not charge for winter storage as long as you continue to camp with us the following season. You can leave your camper right on your site! If you do decide to leave us, our storage fee is \$50/month.

GATE PASS | We are happy to offer our guests the security of a gated community. Our seasonal guests are each entitled to up to two passes. If you only have one driver in the family, then you will only be eligible for one. All visitors' cars must stay in the visitor parking lot. If our security system picks up on you letting an unauthorized car into the park, your pass will be turned off. Gate passes cost \$10 each. If you lose your pass, the lost pass will be terminated and it is a \$30 replacement fee for a new one. Weekend guests will be issued a pass for a \$10 deposit that is fully refundable when the pass is turned in. The same rules apply.

ELECTRIC BILL/PAYMENT | For our seasonal and monthly guests, we read the electric meters at the beginning of every month (or beginning and ending of your stay). It is your responsibility to come up to the office and pay your bill. Bills must be paid before the first of the following month. It is at management's discretion to turn off your gate pass if you have an outstanding bill. A \$10 monthly processing fee will be added to any outstanding bill, as well as a 4% monthly interest rate.

****All electric bills must be paid in full by closing weekend!****

Overnight fees are \$6 per person per night to stay in your trailer. It costs \$6 per visitor per day for the use of our pool. If you have visitors who wish to pitch a tent on your site, the cost is \$42 based on four people. All visitors' cars must remain in the visitor parking lot at all times. We do offer a seasonal rate for visitors. For \$55 per person, you may register in your guests for the season. This covers each registered individual's parking, swimming, and overnight fees. This registration fee also applies to adult children (21 and over) still living with you.
